Frequently asked questions:

1. Can I send an inquiry / booking directly to info@ekajaki.pl?

A. Yes, of course - we only ask for information about the date of the trip, the amount of equipment and the selection of the section.

2. Can I make a reservation by phone?

A. We do not accept reservations by phone.

3. If I do not know what section / river to choose can someone advise me?

A. Yes, of course. We offer our experience. You can send an email to: info@ekajaki.pl or call 510 808 333 or connect via skype.

4. How long in advance should I make a reservation?

A: The sooner, the better. On some of the most popular dates (May weekend, Corpus Christi, August "long

weekend") interest is very large and it often happens that our all equipment is on the water.

5. What is the minimum number of participants of a trip?

A: We can arrange kayaking even for one person. But then one can expect higher costs. For individuals and small groups we recommend our one-day organized trips where prices are fixed and independent of the number of participants.

6. Is it possible to change the date or the number of participants after booking and advance payment?

A: Yes, but then you must reckon with the possibility of changing the package price or limited availability of equipment. The more time left before the event, it is easier for us to adapt to your expectations. In such cases, please contact us as soon as possible by e-mail or telephone.

7. Can I choose a section or river that is not in the reservation form?

A. Yes, in such a case we make individual calculation and analysis of the question which you should send to our address info@ekajaki.pl
