## Our Lakeside Campsite – Nature, Peace and a View That Stays With You

Our campsite is located in a beautiful pine forest, right on the shore of Lake Jasień – and this is no small lake! The area is fenced and monitored for your safety. Guests can enjoy a spacious, shaded camping field with full sanitary facilities (showers, washbasins, hot water). There’s also a secure parking lot, a swimming area by the lake, sheltered picnic spots, three designated campfire sites, a large mooring pier, and a little harbour hut (bosmanka).

## Lake Jasień – One of the Biggest and Wildest in Kashubia

Lake Jasień is one of the largest lakes in Kashubia – nearly 600 hectares in size, stretching over 8 km in length, up to 1.5 km wide and more than 30 meters deep in places. It’s divided into northern and southern basins, and dotted with eight uninhabited islands – each one hiding its own little secret. You can paddle across it in a kayak, a SUP board, a pedal boat or a canoe, all available on-site. From here, you can start a multi-day trip down the Łupawa River – or explore nearby rivers like the Słupia, Skotawa, Radunia, Wda, Brda or Łupawa itself.

## In a Protected Area – Nature First

Our campsite is part of the **Słupia Valley Landscape Park** and the **Natura 2000** zone. To protect the area’s peace and wildlife, **loud music is strictly prohibited**. If you want to listen to music, please use headphones – the sounds of nature are more than enough. Thank you for respecting this rule.

**Note:** Cars are only allowed in the designated parking area. You cannot park by your tent or drive onto the camping field. We provide carts to help carry your gear.

**Quiet hours are from 11:00 PM to 7:00 AM.**

## How to Get Here

Getting here is easy. From Kartuzy, take the provincial road 228 past Parchowo and turn north at Pomysk Mały. Drive through Soszyca towards Łupawsko. After the “Wrzos” holiday resort, turn right at the barrier. You can also arrive from Lębork or Sierakowice by heading towards Rokity and Czarna Dąbrówka.
