

KASHUBIA • RELAX AFTER KAYAKING • PRIVATE SAUNA

## Electric Finnish sauna – a private sauna just for your group

After a day on the water, you deserve more than just a standard rest. Our **electric Finnish sauna** means warmth, recovery and a unique atmosphere by the lake. Perfect for couples, families, groups of friends and small team gatherings.

### Private sauna just for your group

No crowds, no rush and no strangers. You book the entire sauna for your group and enjoy it at your own pace.

### Perfect after kayaking

Warm up your body, relax your muscles and turn an ordinary evening after kayaking into true lakeside relaxation.

## Can be combined with other services

Sauna + accommodation, sauna + bonfire, sauna + catering or sauna + kayaking in one package.

## Why rent a sauna?

- recovery after kayaking and an active day
- a unique evening atmosphere by the lake
- a great attraction for couples, families and groups
- a private relaxation zone just for your crew
- can be combined with accommodation, bonfire and catering

## Combined packages

### Sauna + accommodation

A perfect option for guests who want to end the day by the lake in a unique atmosphere.

### Sauna + bonfire

An evening with character for groups, families and friends.

### Sauna + catering

A great choice for a company meeting, birthday or evening get-together.

## Sauna + kayaking trip

The strongest package for eKajaki guests: an active day on the water followed by recovery after the trip.

## Short rules

1. The sauna may be used only by people without health contraindications.
2. Children and minors only under adult supervision.
3. Before entering, take a shower and dry your body thoroughly.
4. Use a towel inside the sauna and follow hygiene rules.
5. Do not use the sauna after drinking alcohol or under the influence of intoxicating substances.
6. Do not touch the heater and do not change the settings without staff permission.
7. The renter is responsible for any damage caused by themselves or their group.

## How to use the sauna?

1. Drink water, take a shower and dry your body.
2. Enter the sauna and start with a shorter session.
3. One session usually lasts around 8–15 minutes.
4. After leaving, cool your body down and rest.
5. You may repeat 2–3 cycles, remembering to stay hydrated.

## Book your date

Want to add something to your lakeside stay or kayaking trip that really creates a WOW effect? **A private sauna just for your group** is one of those extras guests remember for a long time.
